

SUNDAY ANOINTING SERVICE

PREACHER: EVANGELIST ELIJAH BEN KUSI AGYAPONG

TITLE: WAIT ON THE LORD (VICTORY SUNDAY)

BRIEF SUMMARY

Be patient for Gods own time.

Patience is a fruit of the spirit.

If you do not have patience then it means you don't have the Holy Spirit in you and There is no way you can claim to be a patient person.

Learn how to wait on God and learn how to be patient

Patience comes with a great reward.

HEBREWS 10:36

For ye have need of patience, that, after ye have done the will of God, ye might receive the promise. [Hebrews 10]

It takes patience to receive the promise of God for your life

The question is what is the will of God?

Many people don't understand what the will of God is.

If you want to know the will of God, read the Bible. It is scattered all over.

If you don't know the will of God how can you do it?

If you haven't taken your time to study and know what God wants us to do or not, how will you know?

The will of God is not mystical, it is in the Bible.

Being patient is one of the wills of God that we need to notice.

Hebrews 10:35

It tells us certain things:

1...don't cast away your confidence.

2.... he said have patience.

3...he said we need to know the will of God....

If you don't do the will of God you can't receive the promise of God.

The will of God can be found in

1 THESSALONIANS 4:3

For this is the will of God, even your sanctification, that ye should abstain from fornication:

This is the will of God and its very clear.

Don't forget that God will not break his word for anyone!

He said when you do the will of God you will receive his promise but we don't want to do his will yet we want to receive his promise.

The word of God is forever settled in Heaven that is why you can't add or remove things from the Bible.

So, God is not going to change anything from the Bible it is up to us to know what to do.

1 Thessalonians 4 says it is Gods will that we will be sanctified.

Connect this to what the Bible is saying in Hebrews 10:36. He says after you have done the will of God then you will receive the promise....

So, if 1 Thessalonians is saying the will of God is for us to be sanctified and you have refused to walk in sanctification but in filth, forget about receiving the promise of God!

It is explained that we should abstain from sexual immorality but here you are, engaging yourself in sexual immortality and you are fornicating but yet you want to obtain the Promise of God.

Let me surprise you, God will not break his word because you are special, it will never happen.

You are fornicating, you are committing sins of sexual immorality yet you want to obtain the healing, it will never happen!

that is why some people will be prayed for and will still not receive anything.

When we pray for you and it is evil spirit God will hear us and it will go but because you don't walk in his will which is abstaining from sexual immorality the promise of divine health cannot stay.

The sickness will come back.

After deliverance, what will maintain it is by walking in the will of God so that you can obtain the promise of God!

That kind of Christianity that we want to do what we want doesn't please God and we can't get anything durable from God

What you will get out of that will only be temporary

but in this period of fasting, God will help us!

Bear in mind our theme which is a CALL FOR REPENTANCE.

We need to repent and turn away from these things that doesn't please God.

Sexual immorality is not good. Abstain from it.

The word sexual immorality comes from a Greek word that is pronounced "porneia"

That is where we derive the word pornography from which is any kind of filth that is to do with sex so you don't need to physically sleep with a man or woman

Having sexual images and videos on your phone means you are participating in pornography!

Also, the various telenovelas you watch and see the main characters kissing and having sex here and there on the tv all add up to sexual immorality!

Jesus Christ said you don't need to sleep with a woman to commit fornication if you lust after a woman in your heart you have already committed fornication.

These are some of the reason why we can't see the glory of God on our lives.

The fact that some people receive miracles and promises and some do not receive doesn't mean God is powerless.

The problem can't be from God or pastors the problem is the receivers.

Your heart should be your prayer room.

Your heart is a contact point where the Holy Ghost communicate and the word of God dwells but most people have contaminated it.

You can't be wiser than God and say I will watch pornography and still be blessed

Indecent dressing where your private parts are revealed is not advisable for us as Christians.

Some people are too proud and arrogant they will not listen to what they are being taught and go and do things against the will of God and they will come back blaming people for the way their life has become miserable.

1 Thessalonians 5:17

Pray without ceasing.

This is also the will of God...

The question is do you pray without ceasing?

Some of us don't even pray.

Instead of thanking God with prayers we are rather winging and complaining.

Be thankful although you have prayed and you have not seen anything yet because God is still working!

Be thankful that you are married some people are out there waiting for someone to even come and say I love and I want to marry you and it's not happening, so be thankful.

The Bible says in good and in bad times let us be thankful.

Instead of looking out for what God hasn't done for you and complaining, rather look for what he has done for you and thank him.

God inhabits the praises of his people. The more you praise him the more he stays with you, and the more he stays with your darkness flees from you!

JESUS IS ALIVE  .
