**TITLE: VICTORY SUNDAY 2 (THE MYSTERY OF ALTERS)**

**BRIEF SUMMARY**

Today is a Sunday of thanks giving, put aside everything and know that you have come before God and give him thanks.

In all things we are supposed to give thanks to God so even if you have not seen what you expected, remember that God has given you life and you ought to thank him for it.

show me a grateful person and I will show you somebody filled with the holy spirit.

1 Thessalonians 5:18

in everything give thanks: for this is the will of god in Christ Jesus concerning you.

So, God is saying we should give thanks in all circumstances and in all situations.

The Bible says we should be singing songs of psalms and spiritual songs

So, a person who is always thankful and grateful it shows that you are filled with the holy spirit.

one of the things that makes us ungrateful is forgetfulness we tend to forget where our source and strength is coming from.

forgetfulness is one of Satan's tactics that he uses to cause us to become ungrateful.

for example, a wife forgets that there were lots of choices her husband had but he decided to marry her.

She's now saying to herself if he did not get married to me someone else would have done it but it's not true maybe you would have been single for the rest of your life.

Today you have a job but you have taken it for granted.

You need to drive the demon of forgetfulness out of your life so that you can be grateful.

Remember November is our month of spiritual warfare.

Spend time and pray and always thank god.

In our thanks to God, we will use thanks giving as a tool to fight our spiritual warfare.

When you find yourself always complaining it shows your lack of spirituality, infancy and babyhood in Christianity.

### ***MYSTERY OF ALTERS***

whether you like it's or not we are where we are in life because of alters!

We must know about alters because we are spiritual beings trying to have physical experience in earth.

This earth has been given to us however this world is not controlled by physical things but spiritual things.

It is the spiritual dimension that controls the physical dimension.

What you see here on earth has already been ordained on the realms of the spirit.

*Hebrews 11: 3*

*through faith we understand that the WORLDS were framed by the word of god, so that things which are seen were not made of things which do appear.*

Heaven is another world and hell is also another world.

As we are here there are different kinds of worlds.

The spiritual dimension is controlling what is happening in the physical

Bible shows that there are other worlds and it will be a great Injustice if you are going to live in this world and think that it is only what I can see that matters

There are invisible worlds which are so real but it takes the spiritual person to walk with this mindset.

That is why we don't walk by sight but we walk by faith

In the Bible the apostles were talking about a man who was caught up with into the third heavens and this means we have second and first heavens.

The first heaven is the one we see; the clouds and atmosphere.

The third heaven is where God dwells so between the third heavens and the first heavens there must be a second heaven and we know it is true, because the Bible says that there are spiritual principalities in heavenly places but they are not found where God is!

So, the third heaven is where God the father dwells.

The Bible says Jesus has been made the head of all principalities, all powers and all dominion both good and bad.

There are ranks in the Spiritual kingdom, even in Gods kingdom there are ranks.

When it comes to the Angelic beings, there are dominions, thrones and powers and when we talk about powers they live in a different domain, everyone has got what they are supposed to do!

#### *EZEIKEL 1:10*

*As for the likeness of their faces, they four had the face of a man, and the face of a lion, on the right side: and they four had the face of an ox on the left side; they four also had the face of an eagle.*

The prophet saw the living creature and he was describing just like the one in the scripture above.

Now if you don't take care you will think that we are describing a demon but we are actually describing a good being.

All these beings are there and they all have something to do.

They are doing things to influence our world.

Whether you like it or not it is there and you have to accept it.

The Bible says and Lucifer he was cast out

*REVELATION 12:12*

*Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because He knoweth that He hath but a short time.*

The devil was cast out in the third heavens where God is.

It got to a time Satan became fully rebellious so the angels fought him.

It wasn't God who did that. The Arc angels did that.

So, when people start to be rebellious in the church you must rise up and talk about it and then rebuke it don't wait for the pastor to come and do it.

You must rise up and fight for the church.

It is a bad church that allows their pastor to fight.

As soon as you detect disloyalty and as soon as you detect signs of devils you have to rebuke it

When the devil is present you see every kind of confusion, Discontentment, strife etc.

We need to be aware of Begging

Begging is an evil spirit and when you do that it's like you are living a cursed life

Everybody can be content with what God has given to them.

Even if someone will help you unless God has touched the person to help you

The Bible says if you are a blessed person you give, it is more blessed to give than to receive.

So, if every day and every time you want to be at the receiving end it means you are not a blessed person you are living a life of a cursed person.

Be content with what you have and always be thankful for what you have and live within your means and trust God for the next level.

Before Satan became Satan, he was standing in the presence of God and then he was cast out and this was when the Bible said woe unto the inhabitants of this earth because this dragon has been cast out and he has come with grate anger.

You can't see Satan physically on this earth but he is there!

This means that there are spiritual powers around which we do not see physically.

Satan has come down with anger because he knows that his time is up and he is very much interested in what is going on in our life.

The same way God is also interested in our life.

### **What is an alters?**

Alters are places where human beings have contact with Spirit beings

*How do you interact with spirits?*

The legal established way is through the alters.

Noah is one of the first people in the Bible who lived by this principle.

Note that we have Godly alters and satanic alters and all these alters have voices that speak for or against us after receiving certain offering or sacrifices

That is why as a Christian you need to put prayers on your alters so that the prayers can speak for you. Prayer is also a form of offering to God.

The same way Cain and Abel in the Bible offered sacrifices, that is the same way as a Christian you can offer prayers as an offering on your alter

Christianity is not a religion. Christianity is a personal relationship that you have with God through faith and in Jesus Christ

*Ephesians 2:8 - 9*

*For by grace are ye saved through faith; and that not of yourselves: it is the gift of God.*

*Not of works, lest any man should boast.*

Our righteousness is based on what God has done for us through Jesus and not our good deeds

If you want to permanently have or maintain your break through then you have to break alters and kill the custodian of the Alter and silence every evil voice emanating from the alter against you.
